

AVONMORE ELECTRICAL

ENSURING RELIABILITY, ALWAYS

WE ARE HIRING:

Mechanical Fitter/MAMF/Mechanic

The ideal candidate will have experience in working on the overhaul of pumps, gearboxes, and other electro/mechanical equipment. The successful candidate will work as part of a team responsible for performing routine and corrective maintenance of all items received into the Avonmore workshop.

Full training will be provided to the successful candidate

Duties include:

- Overhaul and repair of pumps, gearboxes, other electro-mechanical equipment as required.
- Maintenance and repair of broken work parts, servicing, checking components etc.
- Assisting staff members with work projects.
- Working to set time frames.
- Other duties as required on an ad-hoc basis.

Experience Required:

- Minimum 3 years' experience in a similar role.
- Experience in a busy workshop environment is desirable.
- Experience in overhauling motors/gearboxes etc.
- Mechanical background is essential.

Desirable skills:

- Excellent communication skills.
- Strong work ethic.
- Ability to work as part of a team and on one's own initiative.
- Ability to comply with H&S regulations and wearing of the correct PPE.

Please note:

This role may be suitable for someone who has a garage/mechanic background.

Apply with CV and cover letter to brid@avonmore-electrical.com

Closing date for receipt of applications:

Close of Business, Friday, 4th February 2022.
