

Become a CAREGiverSM

What you'll do...

You'll be fully trained,
'The Home Instead Way'

You'll deliver quality home care
services to seniors in your community

You'll help them with daily activities,
making home a better place to live

With further training, you'll provide
more complex care to clients with
higher needs

What you'll get...

Competitive rates of pay, with higher
rates for weekends and bank holidays

Free 20-hour induction training
and support with QQI training if you
need it

Flexible schedule that matches your
availability

Support and back-up from an expert
team

Professional development
opportunities through the Home Care
Professionals Academy

Access to CAREGiver appreciation
activities
