

Who we are:

Based in North Cork, Avonmore Electrical Co. Ltd., provides industry with a variety of electro-mechanical repair services since establishment over 65 years ago. We are a privately owned company, small enough to care, yet big enough to cater for large complex electro-mechanical machinery maintenance and repair. We are fiercely proud of our reputation for being the partner of choice for key industry in Ireland as Ireland's only EASA approved workshop.

You will be joining a Team of unique experts in the electro-mechanical field, who will impart their knowledge on a daily basis. Every day will be an opportunity to learn.

Due to continued expansion, we are recruiting for a variety of roles within our workshop.

Mechanical Fitters

Trainee Mechanical Fitters
